PSALM 127: 1, "Unless the LORD builds the house, those who build it labour in vain."

Today we dedicate our newly built and renovated buildings. It has been a huge task, beginning with a vision almost 6 years ago. After lots of hard work, sacrifice and incredible generosity, the dream has become a reality. Our new rooms are bright, spacious and very user friendly. Our foyer is more welcoming with much improved office space. Our chapel is simply incredible. It is one of the most modern auditoriums in Mildura, and with our new seating and air conditioning, it is also one of the most comfortable. And our outside area with huge verandas and lawns enables us to take full advantage of Mildura's wonderful weather.

We have so much to be thankful for. So many people have worked hard and given generously. Without the dedication of the members of the Mildura Church of Christ our dream would not have become a reality.

But the main purpose of this weekend is to give all praise and glory to the Lord Jesus Christ. What we have sought to do with our buildings is to simply be obedient to the vision he has placed before us and use these buildings as a tool to serve Him in all we do. We must never lose sight of this.

So keep on giving the Lord all your praise. Keep your eyes fixed on Him and remain obedient to His call. And become an active participant in what He is doing in His Church.

VOTE!

A church member had dozed off to sleep during the morning service.

“Will all who want to go to heaven stand up now.”

All stood, except the sleeping member.

After they sat, the pastor continued, “Well, will all who want to go to the other place, please stand?”

Somebody suddenly dropped a Bible and the sleeping man jumped to his feet and stood sheepishly facing the preacher.

The sleeper mumbled confused.

“Well, preacher, I don't know what we're voting for, but it looks like you and I are the only ones for it.”

*There once was a pious young priest
Who lived almost wholly on yeast,
He said, “For it's plain
We must all rise again,
And I wanted to get started, at least.”*
