**An inexperienced preacher** was to hold a graveside burial service at a pauper's cemetery for an indigent man with no family or friends. Not knowing where the cemetery was, he made several wrong turns and got lost. When he eventually arrived an hour late, the hearse was nowhere in sight, the backhoe was next to the open hole, and the workmen were sitting under a tree eating lunch.

The diligent young pastor went to the open grave and found the vault lid already in place. Feeling guilty because of his tardiness, he preached an impassioned and lengthy service, sending the deceased to the great beyond in style.

As he returned to his car, he overheard one of the workman say to the other, "I've been putting in septic tanks for twenty years and I ain't never seen anything like that."

Emotions are a very powerful thing. They have an enormous influence over so many areas of our life, in positive and negative ways. Emotions such as love and joy can help us experience God's very best. However other emotions such as jealousy, bitterness or fear can cripple us and hold us back from embracing life to the full.

Last week we began a new sermon series called 'The Emotion Driven Life'. It is based on a tremendous book written by Dr. Bill Purvis. Each week we will continue to explore emotions that can rob you of your potential, and each week we will see how God can help you conquer that emotion. I believe that the Biblical truths we will share over the coming weeks will give you a newfound freedom of release and victory. It is time that we each conquer the emotion driven life and break the chains that may have held you for so long.

As a special bonus to this sermon series we will selling copies of the book 'The Emotion Driven Life'. The book will serve as a brilliant resource as it goes into a lot more depth than what we can do in a single sermon. We have a good number of copies and can easily order more if they sell out. The books will be available at the conclusion of every service.

3 Now the serpent was more crafty than any of the wild animals the LORD God had made. He said to the woman, "Did God really say, 'You must not eat from any tree in the garden'?" <sup>2</sup> The woman said to the serpent, "We may eat fruit from the trees in the garden, <sup>3</sup> but God did say, 'You must not eat fruit from the tree that is in the middle of the garden, and you must not touch it, or you will die.'" <sup>4</sup> "You will not certainly die," the serpent said to the woman. <sup>5</sup> "For God knows that when you eat from it your eyes will be opened, and you will be like God, knowing good and evil."

**Genesis 3: 6-10**

<sup>6</sup> When the woman saw that the fruit of the tree was good [for food](#) and pleasing to the eye, and also desirable for gaining wisdom, she took some and ate it. She also gave some to her husband, who was with her, and he ate it. <sup>7</sup> Then the eyes of both of them were opened, and they realized they were naked; so they sewed fig leaves together and made coverings for themselves.

<sup>8</sup> Then the man and his wife heard the sound of the LORD God as he was walking in the garden in the cool of the day, and they hid from the LORD God among the trees of the garden. <sup>9</sup> But the LORD God called to the man, "Where are you?" <sup>10</sup> He answered, "I heard you in the garden, and I was afraid because I was naked; so I hid."

## Mission Update

### **National Day of Thanksgiving Will Honour Police and Youth Making a Difference**

On Saturday 25th May 2013, people across Australia will gather to thank people working in the judicial system; including solicitors, barristers, judges, court officials, police and administrative staff. They will also honour and thank young people (under 30 years of age) who are leading their generation by example, through acts of community service also those who are showing leadership in organisations within their local community, church, etc.

A number of events are being planned for the National Day of Thanksgiving on Saturday 25th May, to thank people who are making a difference in local communities.

National Day of Thanksgiving 2013 National Co-ordinator Brian Pickering says, 'No society can operate effectively unless we adhere to the laws by which we are governed. Those who administer justice are often the recipients of public criticism due to the nature of the jobs they do. We want to ensure that they know their efforts are appreciated by the vast majority of the community by making them the focus of thanks during National Day of Thanksgiving in 2013. In addition, the aim is to encourage the leaders of tomorrow by recognising, honouring, and thanking those young people who are already giving leadership and setting examples for their peers to follow in our communities and community organisations across the nation
